Zonta Club of Oswego has long been an advocate for the advancement of women in business and the professions, and realizes that education can be the foundation for professional development and career advancement.

Zonta Club of Oswego is honored to acknowledge, through scholarships, Oswego County students who have taken the initiative to become involved with community service projects, leadership adventures, and other opportunities outside their school career. The Amelia Earhart Woman of Achievement dinner held each year raises funds to support four scholarships that are awarded annually.
