AWARD DESCRIPTIONS

The Governor's Silver Bowl is an award that recognizes the effort a club puts into attendance at the district seminar or district conference. The selection of the winning club is based on a calculation that weighs the # of registrants from a club, size of the club and distance of the club from the location of the seminar or conference.

The Evelyn Dewitt Membership Tray was presented to the District in the name of *Evelyn Dewitt*, Zonta International President (1978-1980), and shall be awarded to the club that has the largest increase in membership during the past Zonta year (June 1, 2015 to May 31, 2016) as a percentage of its membership at the end of the preceding year, as of May 31, 2015.

The Immediate Past Governor's Tray

A gift from Past Governor *Marge Van Slyke*, 1996-1998), this tray shall be presented at the Seminar to an individual, club or committee that has demonstrated unfailing support of the immediate past Biennium. It is to be retained by that party for two (2) years and passed on at the next seminar. In 2016, past Governor Edwards presented a second silver tray to the District, so that two awards may be bestowed.

Club of the Year Award

This award (*Zonta District 2 Governor's Plaque*) is presented each year of the Biennium at the seminar and the conference to a club that has exemplified qualities in an area appropriately chosen by the Governor/Immediate Past Governor.

Zonta International District 2 Honor Award

This award was initiated and developed by Past Governor, Margaret Mitchell, 2008-2010, to be presented to a club for an event that displays a sense of teamwork in working together to promote *Zonta's Mission*. Sample projects could be an Amelia Earhart event, a fundraiser, initiation of a Z club, a *Service* project, opening a new club or hosting a seminar, workshop or conference.
