Revisions to the District Manual 79

ACKNOWLEDGMENTS

This manual has been fully revised by the 2014-2016 Zonta International Board and is updated as of January 2015. The Zonta International Bylaws and Resolutions Committee Chairman reviewed the manual to ensure that it does not conflict with the Zonta International Bylaws.

Introduction

How to Use This Manual

HOW TO USE THIS MANUAL

This manual is intended to serve as a general guideline for those administering the districts of Zonta International. The manual may be downloaded from the Zonta International website by clicking on Member Resources/Manuals. Districts should direct all district officers and committee chairmen to Member Resources/Governance on the website to download Governing Documents and to Member Resources/Manuals on the website to download copies of the Zonta Club Manual, and other manuals published by Zonta International pertaining to their area of responsibility. The current Zonta International Directory is found at Member Resources/Directory.

Districts vary widely as to cultural norms, geographical size, the number of countries in the district, the numbers of clubs and of individual members in the district, and the languages spoken in the district. Consequently, this manual should be considered a general guide; not every suggestion in this manual will be practical and appropriate for every district.

Different districts use different parliamentary authorities. A number of districts have specified that they will use *Robert's Rules of Order Newly Revised (RONR) Eleventh Edition*, the parliamentary authority adopted by Zonta International. Discussion in this manual of matters specifically addressed in *Robert's* includes a paragraph noting how *Robert's* applies; that paragraph is set apart by indentation and is preceded by the designation.

Please note that the Zonta International Bylaws and Rules of Procedure take precedence over RONR and other adopted parliamentary authorities.

DISTRICT STRUCTURE

ESTABLISHMENT AND PURPOSE

The Zonta International Board creates districts to serve as the administrative links between clubs and Zonta International. All districts share the same purpose

to further the Objects of Zonta International.

More specifically, the Zonta International Bylaws Article XIII, Section 1 states the definition and purpose of the districts.

Districts are required to conform to the bylaws and rules of procedure of Zonta International.

Districts should adopt district rules of procedure to govern district administration. These district rules of procedure must not conflict with the Zonta International Bylaws and Rules of Procedure (see Section 2, District Board, Financial Accountability Policy, and Section 6, District Rules of Procedure and Reimbursement Guidelines, of this manual).

Zonta clubs are generally, but not always, established within the boundaries of a district. Occasionally, a new club may not be within a specified district for a period of time after it is chartered. In addition, the Zonta International Board may assign an e-club to any district without regard to the geographical boundaries of that district.

DISTRICT SIZE

The Zonta International Directory, published each biennium on the Zonta International website, includes a listing of all the clubs in each district, as well as contact information for district leaders and club presidents. (District officer and club president contact information can also be accessed via the online directory.) The number of clubs in a district and the district's geographical boundaries depends upon geographic, economic and cultural considerations. A district must have at least 300 members of Zonta clubs.

A district vote to divide or change boundaries requires the approval of the Zonta International Board. See also "Areas" below.

FORMING A NEW DISTRICT

New districts are formed to:

- Divide an existing district into two or more smaller districts, or combine smaller districts into a new one, possibly as a result of a loss of clubs in a district.
- Create a new district in a country/countries where Zonta clubs have been chartered.
- Re-combine existing districts into a more logical arrangement.

Because Zonta is an international organization, districts are generally not determined by political boundaries. The procedure for forming new districts is set out in the Zonta International Bylaws (Article XIII, Districts, SECTION 2). The Zonta International Board has the authority to create districts and to establish their boundaries. A proposed change in the boundaries of a district shall be subject to the following:

- Ninety (90) day notice to the affected clubs of the proposed change.
- Participation in the voting procedure by a majority of district clubs.
- Approval by a majority of delegates voting from district clubs. Each club shall be entitled

to one (1) vote. If as of the last payment of annual dues, the membership of any club exceeds thirty (30) members, the club shall be entitled to a second vote. If the membership exceeds sixty (60) members, the club shall be entitled to a third vote.

Districts shall be named in numerical order.

NOTE: Please also refer to the “Transition from Region to District Procedure” on the ZI website under Member Resources/Policies.

AREAS

With the approval of the majority of the clubs affected, the district board shall establish areas and outline their boundaries to implement the administrative functions within the district. (Zonta International Bylaws Article XIII, Districts, Section 4. Areas). Each area is administered by an area director and/or vice area director, who is elected by the delegates from the clubs in that area, either at the district conference, or, at the option of the district, at the area meeting immediately preceding the convention. (Zonta International Bylaws Article XIII, Districts, Section 6. Officers, (b) Election).

The Zonta International Board agreed that those clubs entitled to vote regarding changes in districts or the composition of areas shall be only the clubs in the current area(s) and the proposed new area(s) in the case of area changes, or the clubs in the current and in the proposed new district (i.e., clubs in the areas or districts that would experience a loss or gain of clubs).

The district may, at its district conference, authorize areas to collect per capita area dues. Area dues shall be determined by a two-thirds (2/3) vote of the delegates at an area meeting, in accordance with the procedures in Article XIII, Section 11(a)(4)(a) of the ZI Bylaws (Zonta International Bylaws Article XIII, Districts, Section 5. Dues. (b) Area Dues).

INTERNATIONAL BOARD LIAISON

A member of the Zonta International Board is assigned to serve as the district’s liaison to the Zonta International Board. The liaison is responsible for ensuring the flow of information between the Zonta International Board and the district.

Liaisons shall:

- Establish regular reciprocal contact with the governor.
- Facilitate the flow of information between the Board and the district.
- Support the governors and regional representatives.
- Present the district’s ideas, concerns and needs to the International Board.
- Ensure that the district has a clear and correct interpretation of reports and decisions of the Board.
- Receive and present, if required, the reports by the governor to each of the Zonta International Board meetings.
- Be of assistance to the governor whenever needed.

If so, the governor may wish to invite members of the district board for the next biennium to the board meeting immediately following the conference at which elections are conducted.) FINANCIAL ACCOUNTABILITY AND RESPONSIBILITY

The district should have clear written district rules of procedure regarding district financial transactions, financial approvals, expense reimbursements, audit/financial review and related financial matters. These procedures should be consulted frequently and followed in detail. Clear financial procedures and detailed compliance helps avoid misunderstandings and potential disputes. See also Section 6 of this manual.

It is the responsibility of district board members to base their decisions on accurate and timely financial information. These reports must be made at least quarterly and all transactions must be reported fully.

The computer system used by the treasurer should follow appropriate procedures for safeguarding and backing up computer files. Printed reports and reconciliations should be kept in the treasurer's files.

At the changeover of the district board, all district records must be turned over to successors no later than 30 days after the term of office ends. The treasurer's records must be turned over no later than 45 days after the term of office ends.

A member of the Zonta International Board, appointed by the Zonta International president, serves as international representative to conferences conducted in the odd-numbered year.

CONFERENCE COMMITTEE

Practices vary according to the traditions and geography of the district. Options are:

- The host club appoints a conference chairman, who in turn names the chairmen and members of other conference committees.
- The governor appoints a district conference chairman who organizes other chairmen and committee members from a variety of clubs, preferably in the area where the conference will be held.

CALL TO CONFERENCE

The Zonta International Bylaws require the governor to issue a call to conference **to the president of each club in the district at least 60 days before the conference.** The call should also be sent to the district's International Board liaison, the international representative to the conference, to all members of the district board, and to all district committee chairmen. The call should include notice of proposed changes affecting the district or Zonta International. The call should include but is not limited to:

- District budget
- District financial statements
- District dues
- District candidates
- Proposals of Zonta International Bylaws changes
- Proposals of Zonta International Resolutions
- District rules of procedure
- Credentials information

The call to conference may be posted on the district website, but the governor's newsletter, direct emails, and/or hard copy mailed notification of the posting should be sent to each recipient.

An invitation to the district conference may be sent separately and should include but is not limited to:

- Conference dates and the times it will begin and end
- Location
- Name and contact information of the host club
- Name, address and telephone number of the hotel and information on how to reserve hotel rooms
- Travel information
- Conference agenda
- Information on workshops, speakers and seminars

VOTING MEMBERS OF THE CONFERENCE

The voting members of the conference shall be as mandated by the Zonta International Bylaws Article XIII, Districts, Section 11. Meetings. (a) District Conference. (4) Conference Voting Members.

Other provisions that apply:

- The area directors shall be elected as mandated by the Zonta International Bylaws Article XIII, Districts, Section 6. Officers. (b) Election.
- District rules of procedure should include a policy regarding proxy procedures for district conferences and international conventions. These policies may or may not include provisions to subsidize the expenses of the proxy carrier. Such policies should also state that proxies should not be instructed but should be trusted to vote in the best interests of the club.
- In the event action is required between district conferences, the district board shall submit to each club for vote by mail any question that may require action by the club. Each club shall be entitled to one(1) vote. If, as of the last payment of annual dues, the membership of any club exceeds thirty (30) members, the club shall be entitled to a second vote. If the membership exceeds sixty (60) members, the club shall be entitled to a third vote. To take action, an affirmative majority of the delegates voting shall be required, provided more than fifty (50) percent of the district clubs respond within forty five (45) days.

RULES OF PROCEDURE

Each district shall adopt **district rules of procedure** (see Section 6 of this manual), and the adoption shall be by a 2/3 vote of the district conference voting members.

ZONTA INTERNATIONAL REPRESENTATIVE

The international president will assign an International Board member as the Zonta International representative to each district conference. The governor ensures that the international representative is assigned an appropriate aide and is sent a conference agenda as soon as possible. As a courtesy, the international representative should be consulted before being committed to any impromptu speaking during a conference, to any public speaking events outside the conference, or to any media interviews.

The international representative should:

- Deliver the Zonta International president's message.
- Be actively involved in the conference.
- Attend district board meetings scheduled in connection with the conference.
- Contribute to workshops and seminars, if requested.

It is suggested that the international representative be utilized to the fullest extent possible and be given an opportunity to address the conference. The international representative attends the district conference as an advisor. The international representative also listens and learns about Zonta in different parts of the world and hears the opinions of Zontians in the district and brings the information to the Zonta International Board.

Zonta International pays the travel costs of the international representative. The local costs (registration, hotel, meals and local transportation) are the responsibility of the district.

CONFERENCE SALES ITEMS

Zonta International is using a vendor for sales of approved Zonta International items. There is a link available on the Zonta International website under Member Resources/Zonta Store to a complete list of available items.

Note: Consignment orders are not possible. All sales items ordered from the vendor must be paid according to payment instructions and are the responsibility of the district. It is not possible to return unused items. Ribbons and credentials cards are no longer available through Zonta International Headquarters.

CONFERENCE BUDGET

The conference budget often includes:

- Printing (call to conference, program, ballots if there will be an election, minutes, reports, separate programs for banquets, workshops, memorial service if the district has them and other materials) Rental of meeting rooms

- Certain expenses for the Zonta international representative at conference (*see above*)
- Expenses for the district board members to attend the conference, including room, meals, registration and transportation (*Expenses for the district board may be allocated to other budget items in some districts. Some districts charge part of the transportation costs to board meeting expenses, inasmuch as the district board meets before/after the conference.*)

Suggestions as to who should perform various items in the order of business and explanations of why items are in the order suggested are in *italics*.

Area Meetings

Includes:

- Responsibilities of the area director
- Responsibilities of the host club
- Suggested area meeting report
- Suggested area meeting evaluation

AREA MEETINGS

Zonta International Bylaws require each area to hold at least one meeting annually, preferably during the months of March, April or May, to promote the Objects and programs of Zonta International. At the option of the district, area meetings are permitted to set area dues and/or elect the area director and/or vice area director. Each club in that area shall be entitled to one delegate and one alternate. If as of the date specified by the district for the payment of district dues, the membership of any club exceeds thirty (30) members, the club shall be entitled to a second delegate and alternate. If the membership exceeds sixty (60) members, the club shall be entitled to a third delegate and alternate. A member of the district board shall not be a club delegate or alternate.

Area meetings are essentially planning and training seminars and should provide club officers, directors, committee chairmen and members useful information on their responsibilities, Zonta International and district programs, and practical suggestions for club programs and projects. All Zontians should be encouraged to attend, particularly new members.

Area meetings are hosted by a club in the area and are generally one-day events with a luncheon included, and should be scheduled for a day of the week that is not a work day for most members. The area director is primarily responsible for planning the meeting, with the assistance of the vice area director and other members of the district board and of the host club. The governor may direct that all area meetings cover the same subjects. The format may vary from area to area. The presiding area director reports to the district board following the area meeting. The governor or her/his designee attends the meeting.

It is recommended that area meetings be fully supported by a registration fee, which includes the cost of the luncheon. The fee does not include costs of the registration fee, travel or accommodation expenses of the presiding area director and the governor (or her/his designee); these expenses should be paid by the district. Overnight accommodations for members attending the meeting are not included in the registration fee.

RESPONSIBILITIES OF THE AREA DIRECTOR

- **Selects** a date and a host club for the meeting in cooperation with the governor.
- **Meets** with the host club to:
 - View the facility.
 - Check for necessary equipment.
 - Determine the registration fee.
 - Assist with budget preparation (as noted above, the area meeting should be self-supporting).
 - Inform the host club of overnight accommodation needs.
- **Prepares** the agenda for the meeting, remembering to:
 - Utilize knowledgeable Zontians as session leaders, including the district foundation ambassadors.
 - Prepare materials to be handed out, including a meeting evaluation form.
 - Utilize information from the district and from Zonta International.
- **Issues** a call to the area meeting in cooperation with the host club which includes:

- Date
- Location
- Name of the host club and contact information
- Agenda
- Information on workshops, speakers, etc.
- Registration information, including cost
- registration form
- Accommodations information, including cost

Note: In some districts, the call is sent to all members of the area; in others, it is sent only to club presidents. In either event, the date of the meeting should be publicized well in advance and the call should be sent as early as feasible and should be posted on the district website.

- **Reports** to the district board about the meeting (see suggested Area Meeting Report at the end of this section).

RESPONSIBILITIES OF THE HOST CLUB

- **Arranges for**
 - A meeting place
 - Meeting room and seating arrangements
 - Equipment, e.g. appropriate AV equipment, microphones, lecterns or podiums
 - Registration table
 - Hospitality table where refreshments may be served during breaks
 - The club president to welcome members to the meeting
 - Hotel lodging for the area director, governor (or her/his designee), and any other district officers as requested
- **Prepares** a budget in cooperation with the area director that includes:
 - The costs of facility and equipment rental
 - Meal costs, including tax and gratuity
 - Printing costs for the program and other materials
- **Appoints**
 - Finance chairman (usually the club treasurer)
 - Registration chairman, who collects registrations and fees
- **Prepares and mails**
 - Call to meeting to area clubs (or all members in area, see above) and other guests as requested by the area director
- **Submits**
 - A financial report to the area director

District Rules of Procedure and Reimbursement Guidelines

Includes:

- Suggested district rules of procedure
- Suggested reimbursement guidelines

DISTRICT RULES OF PROCEDURE AND REIMBURSEMENT GUIDELINES

The Zonta International Bylaws require districts to make certain decisions, i.e., to specify the amount of district dues, specify the date by which the clubs are required to pay district dues, and specify a parliamentary authority whose rules shall govern the district in cases in which they are not inconsistent with the Zonta International Bylaws and Rules of Procedure or the rules of procedure adopted by the district. These decisions should be reflected in the district rules of procedure.

The Zonta International Bylaws provide that districts have the option to decide whether there shall be vice area directors and whether area directors shall be elected at area meetings. These decisions should also be reflected in the district rules of procedure.

District rules of procedure should specify if the district financial records shall be audited, reviewed or compiled (Zonta International Bylaws Article XIII, Districts, Section 12. Audit).

In addition, district rules of procedure may address other matters; for example, they may provide for committees in addition to those required by the Zonta International Bylaws, establish procedures for matters such as selection of a site for district conferences or specify the amount the district will reimburse the governor for attending the international convention.

The rules of procedure should also specify the procedure required to amend them. The Zonta International Bylaws require notice of proposed changes affecting the district to be sent to club presidents at least sixty (60) days before the conference, and the rules of procedure should provide for this notice, state that they can be amended only by a vote at a conference or by a mail ballot (following the provisions of the Zonta International Bylaws for such balloting), and specify the vote required to amend (majority or two-thirds majority). Because the rules of procedure should contain the most basic rules for operating the district, they should not be amended lightly, and a two-thirds majority for amendment (the same as that required for amending the Zonta International Bylaws) is therefore recommended.

Following the suggested rules of procedure below are some suggestions for reimbursement guidelines, i.e., provisions that specify the minor expenses for which the district will reimburse district officers, committee chairmen and others who spend money on behalf of the district. The reimbursement guidelines should be more easily amended than the rules of procedure (therefore it is suggested that the district board have authority to amend them). Because the reimbursement guidelines are more flexible, the district rules of procedure, rather than the reimbursement guidelines, should contain provisions relating to reimbursement of substantial sums of money (such as expenses to attend the Zonta International convention).

The suggested rules of procedure and reimbursement guidelines below are only a model. Not all districts will choose to include provisions covering all these issues. Explanations or additional suggestions are in *italics*.

SUGGESTED DISTRICT RULES OF PROCEDURE

(insert date of most recent adoption here)

District _____ of Zonta International shall be established and governed in accordance with Article XIII of the Zonta International Bylaws and the Zonta International Rules of Procedure. To the extent consistent with Zonta International Rules and Procedures, the following Rules will constitute standard operating procedure.

1. There shall be a vice area director for area(s) _____, *(insert area number(s))*. The vice area director(s) shall be elected by the clubs in the area.
2. *(If area directors are to be elected at the area meeting immediately prior to the convention, insert such a provision)*
3. The district board shall meet at least (number) times each year.
4. District dues and fees shall be determined by two-thirds (2/3) vote of the voting members present and voting at a district conference. On (date) of each year, each club shall pay to Zonta International District (district number) (amount) per capita dues based upon the number of members in the club as of (date). *(The district may wish to provide that members who join in the second six months of the fiscal year pay one-half the district dues for that year.)*
5. The district treasurer shall use fund accounting to keep the general operating funds and the conference funds. The treasurer shall use money market checking, savings accounts, certificates of deposits, or other appropriate money management techniques to maximize earnings on district funds. *(This provision is appropriate if the district maintains more than one fund, e.g., a separate operating fund, conference fund, others.)*
6. The district board shall take action annually to determine the use and disposition of interest earned from district operating and conference funds, even if the decision is to allow the interest to accrue in those respective funds.
7. The governor shall approve the expenses of other district board members and district committee members. *(This provision reflects one of the governor's duties as stated in the Zonta International Bylaws. The district may wish to provide that the lieutenant governor shall approve the expenses of the governor.)*
8. Expenses to be paid from district general operating funds are defined in the Zonta International District _____ Reimbursement Guidelines. The Reimbursement Guidelines may be amended by a two-thirds (2/3) vote of the district board.
9. The international convention expenses of _____, _____, *(e.g., registration, banquet, other convention meals, transportation, and/or hotel)* for _____, _____, *(e.g., the outgoing governor, incoming governor, perhaps some other district officers. The district may be able to provide full reimbursement for the outgoing governor and partial reimbursement for the incoming governor, for example.)* will be paid from district funds.

10. *(Other provisions regarding reimbursement for convention expenses could also be included; for example, subsidies for delegates if the district provides them.)*
11. The district shall hold _____ *(specify number)* district conference(s) per biennium. *(If the district conducts one conference per biennium and also conducts other district-wide events, provision for such events should be inserted here.)*
12. The biennial district budget shall be presented for approval at the conference immediately preceding the biennium in which the budget is to become effective.
13. The district financial records shall be _____ *(audited, reviewed or compiled)* by _____ *(certified/chartered public accountants or by a qualified individual independent of the district board).*
14. A registration fee should be charged to each individual member who attends the district conference. Insofar as financially feasible, the registration fee should be set only so high as to recover the cost of items that benefit only the individual who attends and do not benefit the club she/he represents. Such items include meals, favors and entertainment. *(See Section 4 of this manual.)*
15. *(Provisions for how to decide where and when to hold district conferences.)*
16. All previously adopted district resolutions automatically expire at the end of each district conference. If a subject is to be continued, it must be reaffirmed or newly adopted at each conference.
17. District conference motion cards and election ballots shall be retained by the secretary for at least three (3) months, or until the minutes of the conference have been approved, whichever is longer.
18. The district secretary, with the approval of the governor, shall prepare a summary of proceedings of the district conference, which shall be sent to each club president and to the district board members within sixty (60) days following the conference. Minutes of the proceedings will be prepared by the district secretary and approved by the district board. After approval, a copy will be available for use by clubs or other appropriate interested parties. *(Or, the rules of procedure may provide that conference minutes are adopted by the voting members of the next conference. See Section 4 of this manual.)*
19. The governor may appoint a parliamentarian to serve at district conference and as needed during the biennium.
20. The district conference chairman shall provide the district treasurer with the financial statement for the conference and all fiduciary data relating to the conference within ninety (90) days following the conference.
21. The chairman of the district nominating committee shall request, prior to _____ *(specify month)* of each odd-numbered year *(or even-numbered year, for those districts whose election-year conference is held early in the odd-numbered year)*, suggestions from each club for nominees for each position to be filled by election at the succeeding district conference. Personal data forms, including consent to serve if elected, shall be submitted for

each name that is suggested. The deadline for suggestions from clubs shall be _____. (*specify month*). The committee shall screen the suggested nominees based on the recorded qualifications and on the committee's own knowledge and judgment. The nominating committee shall prepare a slate of one or more candidates for each district office that is to be filled at that election and of five (5) nominees for the district nominating committee. No name shall be listed without the member's consent to serve, if elected. No member of the nominating committee shall be eligible for nomination at the district and club levels of Zonta International while serving on the committee. At least sixty (60) days before the conference at which the election is to be held, the nominating committee shall send its report to each district officer and to each club in the district. At the conference, additional nominations may be made from the floor immediately after the report of the nominating committee, provided the consent of the nominee has been obtained.

22. Campaigning Policy (available on the Zonta International website under Member Resources/Policies)
