

Featuring:

Lisa Blair's Story

Honorary Zonta International Member & Record-Breaking Sailor
Determined to protect our oceans, Lisa has circumnavigated Antarctica solo to collect vital microplastic data. Hear her firsthand account of the "plastic soup" in our most remote waters and why **Climate Action Now** is more than just a message—it's a necessity.

Dr. Eileen Gilligan

Zonta Club of Syracuse Member
Learn about her club's innovative **Film Plastics Collection** project and how local grassroots efforts are tackling the global plastic crisis one piece at a time.
