

Young Women in Public Affairs Award

A Zonta International Program, Funded by the Zonta International Foundation

General Information

The goal of the Zonta International Young Women in Public Affairs (YWPA) Award Program is to encourage more young women to participate in public affairs by recognizing a commitment to the volunteer sector, evidence of volunteer leadership achievements and a dedication to empowering women worldwide through service and advocacy.

In order for more women to be represented in key decision making positions worldwide, we must encourage young women to pursue careers or seek leadership positions in public policy making, government and volunteer organizations and further their education with these aims in view.

Public affairs refer to all aspects of community life where decisions have to be made about issues which relate to and affect those communities in which people work and live.

The Awards

Zonta clubs usually provide awards for club recipients. District/region recipients receive US\$1,000. Ten international recipients are selected from the district/region recipients to receive additional awards of US\$4,000 each. District/region and international awards are funded by the Zonta International Foundation.
